Targum Yonatan on Ovadia

Chapter 1

Obadiah the prophet said, "O God, I will bring a terrible disaster on Edom from before you, and I will bring a disaster on Amaya. Send a messenger and prepare a sacrifice for your relatives.
Is your love for Amaya weak? I will take you to the city of
Lahadda. I will punish you so that you will be like my blood. I will spread my law on the teeth of Cephas in Rome. I will punish her. I will say in her heart, Man: I will
marry you to the scene: If you are as wicked as a lion, and if among the stars of the sky, your generation is equal to
your sister, I said, "If they steal you, I will go with you." If they move in the night, they will surely drink your blood until they steal from the tomb. And if they: snatch you as if they were snatching you, will they not leave a trace behind?
:Surely I will make you a city, and I will bring out my
people from your land, and I will make you a city

Is it not in the past that I have said, and the wise men shall perish from Edom, and every man of the land shall be cut off from the land of Canaan?
And your man will be a great warrior, a warrior of the east, a warrior of the west

On the day of your establishment, on the day of your acceptance, on the day of your humiliation, my people will be clothed with my robe and will be called by my name upon it and upon Jerusalem: they will lift up their hands and even lift up their hands against me.

And you will be ashamed of my people on the day of their judgment, and you will be ashamed of their shame on the day of their judgment, and you will be ashamed: your hand will be my covering on the day of their judgment.
And I will be on the roof of the house, and
The day is near, and I will come to my death from before, and I will be above all the people. As you have worked, so shall your camel work for you: your hair will be cut off.
But as they are gathered under the holy Torah, all the common people will drink from the cup of their iniquity, and they will be afraid: and they will drink and be astonished and be amazed, as it is.
And in the Torah of Zion there shall be a sanctuary and a sanctuary for the house of Jacob, the treasures of the common people, which shall be destroyed: they shall be a sanctuary for the
house of Jacob, and the sanctuary for the house of Jacob shall be like the city of Ashta and the city of Joseph, like the city of Shelah and the city of Esau, which shall be weak: they shall be strong and shall rule over the city and shall kill them, and there shall be no one to be left to the house of Esau, which shall be destroyed. Yes, indeed.
And Jashnun shall be the father of the south, and the father of the Philistines, and the father of the Shephelah, and the father of the Philistines :Yachsnon, who are called the people of Ar'a, will be established in the south,
and they will be gathered from the Torah of Zion to the plain, and they will be made like a pillar, and the kingdom will be revealed to all:Yachsbn, who are called the
people of Ar'a, will be established in the south, and they will be gathered from the Torah of Zion to the plain, and they will be made like a pillar
